Benjamin F. Edwards: A Winner of Top Workplaces USA 2022 National Award

St. Louis -- Feb. 7, 2022 - Benjamin F. Edwards has been awarded a [Top Workplaces USA 2022](#) honor by the Top Workplaces organization. The list is based solely on employee feedback gathered through a third-party survey administered for Top Workplaces by employee engagement technology partner [Energage](#), LLC. Edwards was ranked #2 out of 318 companies surveyed.

Benjamin F. Edwards Chairman and CEO Tad Edwards said he is honored that the firm was selected for Top Workplaces USA. "I am delighted that our Edwards team values our culture and mission of integrity, trust, exceeding expectations and having fun. I am inspired and grateful for their unwavering dedication to our clients and each other," Tad said.

"We strive every day to make Edwards an inviting, friendly and 'home away from home' work family that results in achieving more together than we ever thought possible. Our people play for the team on the front of the jersey, not for the name on the back of the jersey."

This is the second Top Workplaces honor awarded to Edwards. In addition, the firm was separately designated a Best Places to Work winner by the St. Louis Business Journal last year.

"The companies recognized as Top Workplaces have high performance, people-first cultures," said Greg Barnett, Ph.D., Chief People Scientist at Energage. "These companies are successful because they put their people at the center of all they do. By prioritizing the employee experience, they are known to out-produce, out-innovate, and out-deliver the competition."
