Benjamin F. Edwards Opens 90th Branch; Its First Branch in Kentucky

ST. LOUIS, July 14, 2022 – St. Louis-based financial services firm [Benjamin F. Edwards](http://benjaminfedwards.com) recently opened its 90th branch office, this one in Lexington, KY, company officials announced today. The new branch welcomes the Detraz-Savage Group and it is comprised of Senior Vice President-Investments Gary Detraz; Vice President-Investments, Meg Savage, and Senior Registered Financial Client Associate Dawn Moscoe. Collectively, Gary and Meg bring over 60 years of experience in the financial service industry.

This opening marks the firm's second location in Kentucky and is located at 771 Corporate Drive, Suite 605, Lexington, KY 40503. Their phone number is 859-286-7528 and toll-free 833-739-2496. Edwards established its first location in Kentucky when Elkhorn Private Wealth opened an office in September through the firm's RIA affiliate Edwards Wealth Management.

"We take enormous pride in welcoming the Detraz-Savage Group to our ever-growing Edwards family," said Tad Edwards, chairman and CEO of Benjamin F. Edwards. "We are equally as thrilled in adding a branch to the state of Kentucky in the wonderful community of Lexington."

Gary is most enthusiastic about serving his clients and having the opportunity to help them reach their financial goals. Meg also enjoys helping clients meet their financial goals and is especially interested in legacy planning with families.

"Benjamin F. Edwards understands my high-net-worth clients and offers the technology, resources and products we need when working together on wealth-management issues," Detraz said. "Edwards also respects the value and importance of the client-advisor relationship and lets us work together in a manner that works for us and without quotas or account minimums."

Edwards has continued to expand its presence across 31 states by adding experienced advisors to its full-service, national wealth-management firm and its registered investment advisor (RIA), Edwards Wealth Management.
